

NEWHAVEN & SEAFORD SAILING CLUB

BOAT HIRE 2024

We are pleased to be able to offer hire boats at our two sites of Piddinghoe and Seaford to club members who hold a category of Sailing Membership and who have a RYA Dinghy Level 2 (adult) or Stage 2 (youth) standard of qualification/ability as a minimum and perhaps do not have their own boat to use. This is a great way to continue practicing sailing and even trying your hand at racing during the first year or two of membership whilst investigating the sort of boat that may appeal for ownership. Help and advice is always there for the asking. Please do ask!

We are using a new booking system that will indicate boat availability and to use this you will need to contact membershipsecnssc@nssc.org.uk to get your name added to the system.

PIDDINGHOE :

Subject to boat availability as shown on the booking system. Boats will not be available for hire if being used for RYA training or cadet sessions.

Priced per boat per half day (9am - 1pm or 1pm - 5pm) or evenings (summer).

To book - <https://webcollect.org.uk/nssc/event/daily-boat-hire-2024>

Alternatively, if you plan to sail on more than twelve times a year then our annual fee of £150 is offered which should work out better giving you access to a boat without further charge. This only applies to our Piddinghoe fleet.

To apply - www.webcollect.org.uk/nssc/subscription

OUR BOATS

OPPIE (x2) - £12

For junior sailors up to age 15 and a suggested 54kg maximum weight, to keep up with their new found skills. The same forever reliable single hander boat that is used for our popular Cadet Evenings and Cadet Week. This is the boat that can lead to the technical Optimist that can be seen all over the world! Help or advice? - Andy Hamilton, Cadet CoOrdinator

TOPPER (x2) - £12

A single hander mainly for junior sailors up to age 15 and a 47-63kg weight range. The Topper is an essential part of our popular Cadet Evenings and Cadet Week. Also suitable for the smaller adult - come and take part in our informal Women-on-Water or Assisted-Sailing weekly evening sessions (see the Club's website diary) and receive friendly help and advice!

LASER (x2) - £12

A basic single hander, and an Olympic class, that has three sail/rig options to suit the sailor and conditions : 4.7 for sailors up to 62kg, and a junior pathway class for transitioning across

from the popular Oppie and Topper : **Radial** for sailors in the 60-72kg weight range, and a youth pathway class : **Full** for sailors in the 70kg + weight range.
Contact training team members or the Club's Laser Fleet Captain, Zoe McCaig, for advice, hints and tips!

PICO (x2) - £12

A simple to rig single hander popular with many training centres in the UK and abroad. Suitable for a wide age range and ability that can accommodate two and has the option of an easily rigged jib. Without the jib hoisted the mainsail can be easily reefed by taking turns around the mast. Perhaps you learnt in one?

SLIPPER (x2) - £14

These boats have been in our Club and been a part of our Sailing School for around thirty years. Designed originally for wood construction back in the early 1930's in Eastbourne before being manufactured in GRP from 1979 of which sixty eight were built, the last one in the early 1990's. "Aimed at the newcomer parent to the sport looking for a new and exciting experience to share with the kids" was the sales pitch! With just a mainsail and jib to hoist and the traditional looks these are a 'Swallows and Amazons' small dinghy adventure!
The Slipper Story - <https://www.slipper-dinghy.com/the-slipper-story-1>

RS FEVA (x1) - £16

A double hander race fitted boat with asymmetric spinnaker designed for junior sailors and a recommended combined weight range of 85-110kg. Parent and child combinations work well. A very popular class in the UK and worldwide. Get accustomed to this boat on the Pond with its slightly smaller training mainsail before taking to the sea at Seaford with one of two available and with full size mainsails. Advice available from our instructors/coaches or from Harvey J. who has competed in one nationally. Check out his rigging guide
<https://www.youtube.com/watch?v=7n-VKR65jMw>

LASER 2 (x1) - £16

An exciting but manageable lightweight double hander with single trapeze and symmetrical spinnaker options. The ideal combined crew weight is between 120-170kg. The boat is ideal for mixed crews and makes a good progression boat for youth sailors into teamwork. Although no longer made they are still popular with sailing centres and universities. We also have one at Seaford!

CADET WEEK - PIDDINGHOE

Our annual Cadet Week is from 12/08/24 - 16/08/24 and will see a special reduction in the hire fee for Oppies, Toppers and Lasers.

SEAFORD :

Priced per boat per race day session.

To book - <https://webcollect.org.uk/nssc/event/daily-boat-hire-2024>

For hire only on and during organised race days when rescue cover is provided.

See the Racing Calendar on our website www.sailinginsussex.org under

[Sailing](#). Racing is by no means mandatory at Seaford in which case you are

requested to keep within the area that it occupies so that rescue teams can keep an eye on you. Please be aware that Seaford boat hire can be dependant

on the weather and sea conditions and safe launching and recovery. Please heed the advice from the Race Officer on the day and our seasoned sailors.

If racing is postponed due to unsuitable conditions (notification may well be posted on our [WhatsApp - NSSC Sailors](#) group, please get yourself added)

your hire fee can be refunded or carried over to an alternative date. Please

contact : membershipsecnssc@nssc.org.uk

OUR BOATS

DART 18 (x1) - £22 (senior cadets - £14)

Racing performance catamaran sailed two up with the addition of a jib and trapeze or sailed single handed with trapeze and without the jib. For the experienced sailor(s). Contact our seasoned Dart 18 sailor Jamie Lynch at the Club for help and advice.

SPRINT 15 (x1) - £20 (senior cadets - £12)

A popular addition two seasons ago. A racing catamaran very popular with members. Sailed two-up with main and jib with a trapeze option for the lighter team, sailed single handed with just the main (most popular) or sailed "Sport", single handed with mainsail, jib and trapeze (also popular). Ideal catamaran for taking first steps into twin hulls. Contact the Club's Catamaran Fleet Captain, Howard Minto, and fleet members for help and advice.

LASER (x2) - £18 (cadets - £10)

A hiking single hander (and Olympic class). Both boats have 'race' upgrades and a choice of sail/rig to suit the sailor/conditions : **Full** for sailors in the 70kg + weight range : **Radial** for sailors in the 60-72kg weight range and a popular class at Seaford. A Youth RYA Pathway Class and suitable for the majority of adult sailors : **4.7** for sailors up to 62kg and a Junior RYA Pathway Class that allows transitioning across from the popular Optimist/Topper boats. It's your choice! Contact the Fleet Captain Zoe McCaig for advice and possible coaching.

RS FEVA (x2) - £18 (cadets - £10)

A very popular class worldwide. A double hander hiking dinghy designed and adopted specifically as a Junior RYA Pathway Class for youngsters aged 10-15 yrs. in a race fitted boat with three sails - jib, mylar mainsail and asymmetric spinnaker. The recommended combined weight range is between 85-110kg. Parent and child combinations work well. For advice and tips speak to Harvey. His dad Simon Jenkins is the Menagerie Fleet Captain. Check out this link - <https://m.youtube.com/watch?v=7n-VKR65jMw>

LASER 2 (x1) - £18 (senior cadets - £10)

Exciting but manageable lightweight double hander version of the popular Laser. A hiking dinghy with the options of trapeze and symmetrical spinnaker. Still popular with sailing centres and universities. A good progression boat for youth sailors into teamwork. The ideal combined crew weight is between 120-170kg and suits mixed crews.

TOPPER (x2) - £16 (cadets - £8)

The definitive single hander for junior racing sailors up to age 15 and anyone within the weight range of 47-63kg. These two boats are 'race' versions which will give much better sail control and a competitive edge if wanting to take part in racing. A smaller 4.2 sail for a lighter junior sailor is also available.

PICO (x1) - £12 (cadets - £6)

Mainly a hiking single hander ideal as an off the beach boat that can take two (perhaps a parent and child or two youngsters) that has the option of an easily rigged jib. The sleeved mainsail can be easily reefed, by removal of the jib if used, by taking turns around the mast. Perhaps you learnt in one at Piddinghoe? Maybe follow the racers around the course?

FAMILY SAILING WEEK - SEAFORD

Our annual Family Sailing Week will be from 29/07/24 - 2/08/24 and will see a special reduction in the hire fee for this period and additional boats - Feva, 'race' Toppers - will be brought over from Piddinghoe.

TERMS AND CONDITIONS OF BOAT HIRE

A - Boat hire is only available to N.S.S.C. sailing members.

B - Our hire charges unfortunately are not transferable between our two sites of Piddinghoe and Seaford.

C - Hirers must have their sailing ability verified by the Principle or Instructors of the Sailing School.

D - Parents or guardians must be in attendance at all times at either site whilst Junior sailors (under 16) are afloat.

E - All users of hire boats are expected to abide by the Club's rules regarding being suitably dressed for the conditions and wearing of approved buoyancy aids at all times whilst afloat.

F - N.S.S.C. holds appropriate insurance to cover you whilst sailing or racing. If it becomes necessary for a damage claim to be made against the Club's Policy then the Hirer shall be responsible for contributing £130 towards the Club's excess.

FOR PIDDINGHOE

1. On payment of the chosen fee (daily or annual) the Hirer will be given the padlock code to access a boats equipment in the Hire Shed.
2. Hire boats and access codes must not be shared with other members not on the hire list or non members.
3. The equipment i.e. rudders and daggerboards and Slipper sails are stored in the Hire Shed between the Topper racking and the Bosun's Shed. The masts and rigs for the Topper's and Pico's are on the outside of the Bosun's Shed as are one of each of the three Laser rig/sail options.
4. For the RS Feva and Laser 2 equipment this will be found in the Bosun's Shed and will only be available (until further notice) when organised sailing sessions are taking place eg. Women-on-Water, Assisted Sailing, Have A Go sessions. For possible additional arrangements please contact the Piddinghoe Bosun, Simon Suter - piddinghoe.bosun@sailinginsussex.org
5. Boat hire members may use any of the boats in the hire fleet that are shown as available on the booking system and must be suitable for the users ability. Boats will be on a first come first served basis. Only one boat may be taken at a time unless an additional booking is made for another family sailing member.
6. A log book with the names of annual hire members will be kept in the Hire Shed and along with daily hire members you are asked to log the use of the boat used along with your name and date. Checks will be made on this.
7. Looking after the boat and equipment is an essential part of the hire. Hirers of a boat are expected to make sure all equipment is cleaned and stored properly and where applicable covers put on and all their straps secured. Any minor issues are expected to be rectified where possible otherwise a report entered into the logbook detailing the issue and a report submitted to the Piddinghoe Bosun, Simon Suter - piddinghoe.bosun@sailinginsussex.org
8. Some hire boats may well be used during sailing courses, cadet sessions or during Cadet Week.
9. If you are the last to leave - Please check that the Hire Shed door is closed and the padlock has been attached and locked.

FOR SEAFORD

1. Upon a Hirers first payment and receipt of the appropriate fee they will be given the padlock and alarm codes to the Bosuns Shed. On the day the Hirer shall indicate on the competitors signing on/off sheet, to be found on the desk in the wet entrance below the white board, their intention to go afloat and again ASAP on their safe return (racing or not).
2. Hire boats and access codes must not be shared with non members.
3. The equipment i.e. rudders, daggerboards, sails and masts (where appropriate) will all be found in the Bosun's Shed OR in and under the cover of the respective boat. All boats will be found outside at the end of or alongside the Bosun's Shed nearest the ramp or just across beneath the sea wall.
4. Any boat hired will be on a first come first served basis and as shown as available on the booking system and must be suitable for the users ability.
5. A log book may be used to record any issues that cannot be rectified by the Hirer otherwise please submit an email with the details to the Seaford Bosun, Paddy Turner - bosunnssc@nssc.org.uk
6. Hirers are expected to look after the boats and equipment after use including a thorough hosing down with particular attention to daggerboard cases, foils and fittings (in addition to clearing any beach shingle). Sails, if possible to be left to dry, must preferably be rolled up, otherwise folded, and inserted into the relevant sail bags where used. NB - Please ROLL the RS Feva mylar main sails! Spinnakers must be folded before putting into their bag. Any equipment taken from the Bosuns Shed must be returned.
7. Covers must be replaced with all straps secured and tensioned and with the boat in it's correct berth it must be secured using the tie-down ropes.
8. If you are the last to leave please check to make sure the Bosun's Shed alarm has been reset and the padlock to the door is attached and locked.

DECLARATION

In applying for boat hire either at PIDDINGHOE or SEAFORD you agree to the Terms and Conditions as outlined above and will have paid the appropriate fee.
