

**A great start makes a huge difference to where
you finish in a race!**

Want to find out more on how to have the best start!

join me Ben Brudenell (Black Sheep) on

Friday 27th February at the Club House at 7pm

I will be hosting an evening of interactive discussion on
Pre start rules and tactics to give you a winning start !

We will run through various various scenarios and look at
some of the clubs starts from last year.

We will cover Club house and committee boat starts
and how to approach them.

This is for all levels and would be great to see some Cadets too.
