Bart's Bash

Sunday 14th September 2025

NSSC will be holding Bart's Bash this year on Sunday 14th September.

Bart's Bash is the flagship fundraising and participation event for the Andrew Simpson Foundation (ASF).

Andrew 'Bart' Simpson was an Olympic Gold and Silver medallist who tragically passed away in 2013. The first Bart's Bash took place in 2014. Thousands of people from around the world came together to race in memory of Bart. The event was such a success it was awarded a Guinness World Record for the world's largest sailing race.

We plan the first Seaford race on the 14th September to be the Bart's Bash. We will report your results (unless you ask us not to) and also report the course length and wind strength. These are fed into one global leaderboard with adjustments made for individual class handicaps, the course lengths and wind speed.

There is no need to register individually as this will be handled when we report the results. However you are free to do so if you prefer.

Hope to see you on the day!
