Club Security

At Seaford we have recently suffered fly tipping – If the site looks deserted, The Galley has closed, the shutters are down and the dry entrance is locked, **please lock the gate.**

Even if there is a car or a van in the car park. All members have the codes.

Please remember to keep the Bosun Sheds locked. If there is no one around or you are last to leave the site please lock them. At Piddinghoe check all the lights are off and the clubhouse is locked.

We all have to look after our club.

Duties

Thank you all for signing up for your duties early. I am amazed to see some of you signing up for 10 – 36 duties WOW and thank you.

We are one of the few clubs that offers a reduction in membership fees to enable you to have membership without duties, but the duties do help you get to know many members. Without you all doing duties and volunteering we could not run the club – We are grateful to you all.

I will be allocating the remaining duties very soon. If you wish to choose your own dates and duties please go on dutyman. If you can't find the link please let me know. Keep an eye on your Spam folder the emails do have a tendency to go there.

If you would like to talk to us in person about the duties please come along to the next

REMEMBER: New Members Night Friday 20th March 2026 at the Seaford Clubhouse.

Duties for new, or inexperienced, members.

Winch Operator Seaford

Training is given on the day for the winch and the hand held radio. You are the eyes and ears on the beach ready to radio for help if needed. Quite a social duty, can be tricky to keep watching the water and beach.

ARO – Assistant Race Office

To follow Race Officers instructions. A calm head and a good writing hand is useful. Depending on the RO you may go on the water in Ark (please discuss this with the RO)

Safety Boat Crew (Seaford)

Fairly fit and dressed and willing to go into the water (14 and over)

OOD – Piddinghoe

To meet and greet people coming to our Piddinghoe site. Please talk to Nick, Rear Commodore Piddinghoe, or any extra jobs he may have.

Assistant Bosun & Safety Boat Helm – Piddinghoe – PB2 required

If you want experience using your PB2 or are a little rusty. Simon, our Piddinghoe Bosun, is there to give you some help.

Please also talk to Simon for any extra jobs that he may have for you.

From Michelle Smith (Commodore & Dutyman Co-ordinator)
