Come along to the Seaford Clubhouse where we're having an informal gathering to meet Jazz and hear her stories about her recent voyage, her hopes and dreams.

Camping at Seaford

It seems the rules are a little unclear. So just to clarify for you all:

Our license has been legally agreed and allows us to camp only when there are key sailing events.

We have two of these events in the near future.

1. The visit by Brighton Sailing Club
2. Sailing Week.

If you wish to organise such an event please contact the Sailing Secretary, Noel West sailingsecnssc@nssc.org.uk to organise the event

To organise the camping contact our Rear Commodore Seaford, Justin Attwood seafordnssc@nssc.org.uk

please title your enquiry clearly to ensure it's forwarded to the correct person.

These events must have:

1. A named individual for the period of camping, who takes responsibility for all campers and stays for the duration of the camp
2. The tents space must be allocated to give the correct distance between tents.
3. The fire equipment must be put out and campers made aware of fire guidance.

Normal club sailing ie Wednesday evenings and Weekends **do not qualify** but there is no reason why you shouldn't camp next door in the campsite who hold a different license.
