Data tidy up

We have had a bit of a tidy up of your data. We do this because the system will work better for you. Listed below are the issues we found. Wherever possible, we have done the tidy up for you, and are just letting you know what we have done.

Mergable Subscriptions

Some of your subscriptions can be "merged". This happens when members buy new subscriptions instead of renewing. See [this article](#) for details. We recommend you visit the [subscription maintenance](#) screen to tidy up.
